Here are our meeting notes from tonight's meeting...

Pool Committee meeting and Swim Metro Walk Through

May 22, 2022

Attendees:

- Ryan Clennan
- Laurie Simpson
- Leslie Long Brooks
- Kristen Gilliam
- Liz Resnick
- Meagan Arline
- Jason Dowdy
- Kurt Schuster – Swim Metro

Currently, no swim lessons will be offered at the pool. Swim Metro is not prepared for lessons at this time but may be able to offer sometime later in the year if they are able to develop a program. If offered, they will be through a Swim Metro employee (permanent or contract) only. No private lessons will be allowed at the pool for insurance purposes. We will work with Swim Metro for a short-term solution.

Swim Metro has stated that staffing is better this year, and they are fully staffed for lifeguards at both pools.

Lifeguards will have access to the clubhouse, but we asked that they be respectful of the property and leave it clean.

We addressed the lack of attention on the pool last year. Any issues with the lifeguards should be addressed with the manager on duty.

Pool committee members will make an effort to introduce ourselves to the guards after the season starts.

We walked both pools and pump rooms with Kurt and addressed cleanliness, pump room maintenance, and other maintenance items. He committed that the Rountrey pool will be ready by 3:30 on Monday, May 23 and the Newmarket pool will be ready by Saturday, May 28.

The first swim meet will be on June 6th in the evening.

Pool Committee voted and agreed to implement a season guest pass for \$50. There will be one guest pass per household good for one guest that can be purchased for any households interested.

Do not post the numbers below on the Rountrey page:
