We are still awaiting a response on several questions from ACS West.

We need to make sure all chemical equipment is set up. That is something to communicate with Swim Metro.

We amended the times for the sign-up nights to the following:

- May 15 at the Rountrey Club House 2 pm to 4 pm
- May 18 at the New Market Club House 5:30 pm to 7:30 pm
- May 22 at the New Market Club House 2 pm to 4 pm

Swim team currently has 180 swimmers registered and expects more.

We walked the pool and pump room and made a list of issues with the pool that will need to be fixed prior to opening day. (Lights, caulking, cracks, a leak in the pump room, and general cleaning).

The bathroom remodel and upgrades are underway and looking good.

We will be communicating with Swim Metro regarding the opening of the pool.
