

Pool Committee Meeting - November 21, 2022

Attendees

- Bill
- Laurie
- Monique
- Kristin
- Liz
- Shawna
- Meagan
- Jason
- Andrea from the board

Discussed the RFP and having it prepared well ahead of time for 2024. In order to procure another pool management company following the conclusion of the Swim Metro contract, the best scenario would be to put out the RFP for new companies in July for the 2024 year. Language needs to be less harsh and more inviting.

Discussed accountability with Swim Metro for 2023

Requests for Swim Metro's 2023 management of the RT and NM pool.

- We would like to meet with all pool managers before the season opens
- Kurt to oversee the pool personally
- Stronger pool managers on site for both pools
- Financial accountability (ability for RT to withholding payment from Swim Metro for failure to fulfill the contract)
- Fulfill the contract
- Kurt to attend our monthly pool committee meetings
- All complaints regarding the pool should go to Swim Metro and not committee members
- Requesting to add hours for weekdays after school begins in the fall. (4:00 pm to 7:00 pm)

Maintenance:

- Slide repair is budgeted for in 2023
- Men's bathroom floor will be repaired.

- Check-in system improvement
 - Discussed a fob system
 - Guest passes

A Pool Committee member needs to be on all four advisory meetings throughout the year plus the annual meeting. Our rep will be present to give an update to the residents and answers any questions.

Swim Team:

- Swim team is requesting to host one additional meet during the 2023 season (three total).
- Swim team is requesting to hold a morning practice Monday through Friday. This is similar to the 2022 practice schedule. The hours requested will be 8 am to 10:30 am.
- To manage the pool cleaning duties in the mornings swim team is present, Swim Metro will close the lap area for cleaning for 30 minutes following the conclusion of swim practice. The beach entrance and slide area will remain open during swim practice and the cleaning of the lap pool from 10:30 to 11:00.

Budget items for 2024 need to be in by September 30, 2023.
